

Dear Parent/Guardian,

### **KINDERGARTEN EXCURSION**

We have planned an exciting excursion for all of Kindergarten on **Friday 13 October 2017**. This excursion relates to our Science Topic 'What's the Weather and Environments'. It also relates to an earlier topic already studied called 'What's Alive'.

We are going to visit **Hanericka Farmstay** at Yerong Creek. The children will get to meet, hold and learn about farm animals. They will also learn about how the food they find at the supermarket arrives there. They will also have the opportunity to see how the farmer cares for the environment through recycling.

All students are to wear their correct sports uniform. All students will need to bring their own fruit-o, recess, lunch and drinks. Each child will carry their own school bag to the farm. Please note there will be no lunch orders available on this day. Please remember to apply sunscreen to your child before arriving at the College. Children will be able to reapply sunscreen throughout the day. Your child will need to wear their school hat.

The cost for this excursion is \$27.00.

**Your child needs to be at the College by 9am.** The bus will return to the College by 3.00pm.

**Please complete and return the attached permission slip and payment to the College Office by Monday 18 September.**

If your child is unable to attend, we would also appreciate the return of your permission slip indicating this.

If you have any questions regarding the excursion, please contact us at the College office.

Yours sincerely
