

Dear Parent/Guardian,

## **JUNIOR SCHOOL (Years 3 & 4) SWIMMING LESSONS – 2017**

Swimming is an important part of the Physical Education program. The survival techniques students will learn could help them to stay safe in the summers ahead. The swimming lessons also provide an excellent lead up to our school swimming carnivals.

This term we are pleased to offer our Year 3 and 4 Junior School students the opportunity to participate in a series of 5 swimming lessons at the Oasis Aquatic Centre. Each lesson will be for **one hour**, with an approximate 1:6 ratio of instructor to children. By increasing lessons to one hour, our goal is to increase children's safety and comfort in water and to also improve swimming strokes and techniques. We hope there are many children who will be able to avail themselves of the opportunity to build on their water skills. Lessons will be on the following days:

### **Week 9: Monday 4 December - Friday 8 December 2017**

The total cost will be **\$85.00 per student**.

Children are required to wear their school uniform and they will change at school. Boys must wear trunks or shorts. Girls must wear a one-piece swimsuit. They will travel to the pool wearing their swimmers, goggles, a T-shirt, thongs and towel. Children should also bring along a plastic bag so they can put their wet gear in after their swimming lessons. **Please remember to label all your child's belongings clearly.**

Buses will take children and teachers to and from the College using a regular shuttle service.

Children will be taken to the pool in their year group. At the pool the instructor will assess each child on the first day. Your child will then be placed in a group according to their skill level. Children who are aware of their skill levels may inform the instructor before assessment.

**Please fill in the attached permission note and return it to the College office with payment by Thursday 23 November 2017**

Yours sincerely
