Dear Parent/Guardian,

**Students and Parents - Year 10 Families
Year 10 to Year 11, 2018**

As you may be aware there is an upcoming information night for families of Year 10 students. This evening is scheduled for:

Tuesday 20 June at 7pm in the Tiered Learning Area

This information night is designed to help you and your child make decisions about the future. It is a legal requirement that all NSW students must complete Year 10 and until the age of 17 students must be:

- a. in school, or registered for home schooling OR
- b. in approved education or training OR
- c. in full-time, paid employment (average 25 hours/week) OR
- d. in a combination of these

We will present information on the Higher School Certificate (HSC) the subjects that will be offered in Year 11 in 2018, VET courses, and the other options available to your son/daughter.

During the evening several members of the Leadership team will explain the various aspects of the Preliminary and HSC years and, in particular, what to expect if they choose to complete their HSC. Following a general information session, there will be an opportunity for you and your son/daughter to discuss specific subjects with various teachers.

I encourage you and your child to attend this meeting, as we will be raising issues that are important in making decisions for your child's future. If you have any questions, please contact me at the College.

Yours sincerely

Catherine Clarke
Acting Deputy Principal

Tuesday 13 June 2017
